

Aged Care Package Pricing Schedule

Pricing Schedule Last Updated on 1 July 2023

This schedule provides information on the price for common services you can access through a Home Care Package. The costs will be deducted from your overall package budget. Full cost details for each agreed service will be stated in your Care Plan/Home Care Agreement.

There may be situations where there is a difference between this Home Care Pricing Schedule and the Care Plan/Home Care Agreement. For example, where you have a particular request. In these instances, the agreed price stated in your Care Plan/Home Care Agreement will be applicable and take priority over the Home Care Pricing Schedule.

There are many other services you can access through a Home Care Package that are not listed below. This may include allied health services, home maintenance, aids or equipment which may form part of your Care Plan.

Services delivered as part of your Care Plan may be GST-free, this is dependent on the nature of the service and or equipment purchased. Costs relating to exit amounts are not GST-free.
